

Fern Hill & Other Dylan Thomas - Tek Spes - (updated 21/11/19)

Please note: **UNLESS ARRANGED OTHERWISE**
This production requires 1 lighting /sound technician for fit-up and running show

State A: 12' Steel Blue profile spot from centre front (approx 40° from horizontal) soft focus

State B: Chocolate (Lee 156) Middle state - Lit to 6' of sides of playing area. w/back light & centre fill

States C & E: 2 General Washes - Straw & Steel Blue lit from front, top, sides and back. **Both states should have a 14' central pool** which can be isolated from the main wash

States F1 & F2: 2 x 500-650W fresnel floorlights set directly on brackets w/clamps removed. (Company can provide Birdies)

State D: 4' Open White almost vertical profile from centre front (hard focus)

Lighting should be hung and gelled **IN ADVANCE**. Fine focusing can be completed upon arrival of company and will take approximately 1 hour.

Programming will consist of the 7 main states - (A, B, C, D, E, F1, & F2) and combinations of these states in approx. 40 cues. All timings will be preprogrammed.

The show requires 1 technician to run the show. **SFX** are on Apple Laptop running Qlab (Pre & Post show and Interval only)

Running the show involves following the script with explicitly numbered and described lighting cues. Script provided on the day. Rehearsal time for lights and sound 60 mins after focusing.

The Set consists of a tall non-cushioned bar stool (to be provided by venue). **Clean BLACKBOX** and Stage flooring (please paint if scuffed badly)

Special notes: The A & D states should profile spots. The A light should be lit from first front of house bar. D should be almost vertically focused on the same centre as A. The B state should light an area to the front and to within 6' of the sides of the playing space (not too much spill on the sides) so as to create a pool of candlelight. The general covers (C, D & E) are self explanatory). The floor fresnels will need barndoors.

THE ARTISTE WILL REQUIRE AN IRONING BOARD AND IRON IN A CLEAN DRESSING ROOM WITH SHOWER & TOWEL.

Refreshments with tea and soft drinks to be provided at 5pm. (Please check with Artiste)

NB: Lighting SHOULD BE PREPARED IN ADVANCE, after which, maximum programming/rehearsal time should take 2 hours.

Any queries please contact TTI on above numbers
